

# Lake Warren Breeze

## Let's Remember

---

- ↔ Please remember to add the chlorine tablets to your septic tank.
- ↔ This is a NO WAKE lake! Keep your speed down.
- ↔ Speaking of speed, the limit is 20 mph on the roads, this is for ALL vehicles (personal vehicles too) It is 10 mph on the road behind the campers
- ↔ Driving on the grass is prohibited. There is a paths starting in the grassy area in front of the permanent campground and each path is leading directly to a specific camper.
- ↔ Failure to follow the Personal Vehicle Policy can have the privilege immediately revoked. If you are not sure of the policy it can be found on [mylakewarren.com](http://mylakewarren.com)

# Conservation Committee

June 2017

The conservation committee has been meeting to consider the recommendations resulting from the lake survey taken in April. One of the items was the over population of carp in the lake. There was consideration for producing a one day carp fishing tournament complete with prize awards. We also learned that a commercial fisherman would be willing to net out carp this fall. After some discussion the committee has decided to recommend allowing the commercial fisherman to fish the lake for carp only this fall.

The second item the committee has address is the recommended need for fish habitat to be introduced into the lake in order to provide some type of cover for both smaller fish and spawning. Plans are for an initial habitat build using wood pallets for Friday June 23rd at 9:00 AM meeting at the maintenance building. Anyone is welcome to come help build or donate wood pallets. We will also need additional help with the placement of the structures in the lake. Call Mike Boyler, or talk to Brant Weil Lot #129, Rick Ostdiek Lot #41, or Dale Cummings Lot #94.

Please let me know if you have dead or dying trees that you intend to remove. We have a lot of older trees that are starting to reach the end of their life. In the interest of safety and keeping healthy trees from disease, please do your part in maintaining our forestry.

## 2017 Fishing Derby

*Thank you to everyone who volunteered and to Brant Weil for organizing the event*

**Can you help??**

**Contact Annette Thompson**

The Lake sponsored fireworks will be held on Friday July 7 due to the fact that the company we use did not have their license renewed by the state. After much scrambling by some board members and many phone calls to various companies we found one who was available either on July 6, 7 or 9. The board voted last night to go ahead and have the show on the 7th since it was the best option. That show will start at dusk on the big dam as in the past.

# Campground News

---

We have had a few people that have come into the office expressing concern about the speed people are driving in the campground area. They are worried about the little ones not paying attention and the speed people are driving their UTVs. Speed on the road behind the campers is 10 mph

Driving on the grass is to drop off only!

If you having any problems your contact people for the campground is

## Sheet Pan Shrimp Boil

Yield: 6 servings, Prep Time: 10 minutes, Cook Time: 30 minutes, Total Time: 40 minutes

*Easiest shrimp boil ever! And it's mess-free using a single sheet pan. That's right. ONE PAN. No newspapers. No bags. No clean-up!*

### **Ingredients:**

- 1 pound baby Dutch yellow potatoes
- 3 ears corn, each cut crosswise into 6 pieces
- 1/4 cup unsalted butter, melted
- 4 cloves garlic, minced
- 1 tablespoon Old Bay Seasoning
- 1 pound medium shrimp, peeled and deveined
- 1 (12.8-ounce) package smoked andouille sausage, thinly sliced
- 1 lemon, cut into wedges
- 2 tablespoons chopped fresh parsley leaves

### **Directions:**

- Preheat oven to 400 degrees F. Lightly oil a baking sheet or coat with nonstick spray.
- In a large pot of boiling salted water, cook potatoes until just tender and parboiled, about 10-13 minutes. Stir in corn during the last 5 minutes of cooking time; drain well.
- In a small bowl, combine butter, garlic and Old Bay Seasoning.
- Place potatoes, corn, shrimp and sausage in a single layer onto the prepared baking sheet. Stir in butter mixture and gently toss to combine.
- Place into oven and bake for 12-15 minutes, or until the shrimp are opaque and corn is tender.
- Serve immediately with lemon wedges, garnished with parsley, if desired.

## Note from the Editor

---

Getting the website up and running has not been an easy task. While it is available it still has a way to go before it is at the level of quality that I expect it to be.

I am able to keep the friendly reminders section and the calendar current. We have not been able to get newsletters, current by-laws along with broadcast type of information working.

Right now we are concentrating on getting the new system in the office up and running. Once this is complete I will be sitting down with the developer and getting the site completed. Stay tuned and keeping checking back.

if you would like something included in the newsletter please email me at lakewarrennews@gmail.com or put something on paper and drop it off at the lake office.
